## Yamaha XS750 (1977) – Triple Power, Timeless Style

Here's a beautifully preserved Yamaha XS750 from 1977 with 43,664 km and a silver/blue finish. This triple-cylinder classic was imported from Belgium in 2020, where it spent 8 years in a showroom before being fully recommissioned. Since then, the carbs were cleaned, tires replaced, and multiple technical updates carried out. The bike runs and idles perfectly – it's ready for the road!

With Dutch registration and a new battery (2024), this XS750 is a reliable ride and a great piece of motorcycling history. A minor note: the seat lock is missing, but that doesn't affect its usability. It's a clean and honest classic that rides just as well as it looks.

Viewing possible by appointment or videocall. Worldwide shipping available. Additional photos, videos, or details on request.
